quid ... est?	what is...?
quae ... sunt?	what are...?
ita est!	so it is / yes
non	not
sed	but
sunt	(they) are

Questions

Questions in Latin sometimes have a questioning word at the beginning, such as **quis** (who?), **cur** (why?), **quando** (when?), or **ut** (how?). If there is no questioning word, **-ne** is added to the end of the first word. This shows that the sentence is a question. For example, "**estne nomen eius Petrus?**" means "Is his name Peter?"

Introducing friends

What are their names?

Can you answer these questions in Latin?

Who is who?

Can you answer the questions below the picture?

Can you remember?

How would you ask someone's name?
How would you tell them your name?

You have a friend named Beata.
How would you introduce her?
How would you tell someone that your friend's name is Gaius?
